

Serial No.: 09/747,920
Amendment Dated: March 30, 2005
Response to Advisory Action of March 14, 2005

REMARKS/ARGUMENTS

Applicants respectfully request that this Supplemental Amendment be entered and considered after entrance of the afore-noted Amendment After Final Rejection.

Claim 7 has been amended to delete a redundant "have" therefrom as presented hereinbefore. Claims 1 through 6 remain as presented in the afore-noted Amendment After Final Rejection.

A total of seven (7) claims, two (2) of which are independent claims, will be pending upon entry of this amendment. Accordingly, no fee is due with entry of this amendment.

This Supplemental Amendment accompanies the Request for Continued Examination filed in the above-identified application submitted on this same date.

A Petition for Extension of Time of One-month accompanies this submittal.

Applicants respectfully submit that this Supplemental Amendment corrects the phrase "baffle have having" as required by the Examiner in the Advisory Action. In summary, Applicants respectfully submit that claims 1-7 distinguish over the art of record for the reasons stated in the Amendment After Final Rejection. Accordingly, Applicants respectfully request that, upon consideration of the Amendment After Final Rejection and this Supplemental Amendment, the Examiner withdraw the final rejection of claims 1-7 and pass the application to issue.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 03-0835.

Respectfully submitted,
